

VÄLKOMMEN

Camping: Check in: 12.00 Check out: 12.00

THE CAMPTRAC CARD = YOUR KEY TO EVERYTHING

The Camptrac card gives access to the large and small service building. Only the large service building has a sauna, laundry room and dishwasher. The Camptrac card also activates showers (10 kr/4 min), washing and drying machines (70 kr/machine), dishwasher (10 kr/2 min) and sauna (70 kr/90 minutes). You can load money on the camptrac card at the payment station on the outside of the large service building (near the kitchen entrance) or at the reception. If you want to know how much money you have left on your card, you can check it at the balance terminal hanging in the service building, both on the women's and men's side, and at the charging station.

DO YOU HAVE YOUR OWN WRISTBAND?

Once you've bought one of our wristbands, you don't need a Camptrac card. You simply load your wristband with the credit you need. When you check out, you keep the wristband until your next visit.

PROHIBITED TO CHARGE ELECTRIC CARS

Electric car owners are not allowed to charge their electric cars on the campsite via normal sockets, such as in their cabin or via the electric posts on the campsite. Regular sockets are not designed for charging electric cars and are a major fire risk. If this rule is violated, a penalty/debit fee of SEK 3,000 will be invoiced.

CAMPING (MAX 1 CAR)

A maximum of 1 car on your pitch. Extra cars are parked in the car park outside the campsite. Guests in the tent field park their car next to the tent field.

RECYCLING STATIONS

Rubbish should be disposed of at the recycling center at the entrance to the campsite, northern or southern cottage village. We care about the environment, and we hope you do too. Our recycling stations have recycling for almost everything!

FREE WIFI

Free WIFI is available at our campsite, F08 and F09 as well as in our southern and northern holiday village. The only cottages that do not have access to our WIFI network are cottages F01-F07, but you can book mobile internet for a fee at the reception. F10 has a separate WIFI code (information available in the cottage).
